

STUDENT CAREER EXPERIENCE PROGRAM

OFFICE OF ENFORCEMENT AND COMPLIANCE ASSURANCE ENVIRONMENTAL ENGINEER TRAINEE

The Student Career Experience Program at EPA's Office of Enforcement and Compliance Assurance (OECA) provides students with paid part-time, semester-length, seasonal, or summer trainee employment leading to non-competitive appointment to the target position upon successful completion of at least 640 hours of on-the-job training and receipt of their degree.

About the Office of Enforcement and Compliance Assurance:

OECA enforces US environmental laws while inspiring the regulated community to pursue pollution prevention. OECA components participating in SCEP include the Office of Criminal Enforcement, Forensics, and Training (OCEFT), the Office of Site Remediation Enforcement (OSRE), the Office of Compliance (OC), the Office of Civil Enforcement (OCE), the Office of Federal Activities (OFA), the Federal Facilities Enforcement Office (FFEO), the Office of Planning, Policy Analysis, and Communications (OPPAC), and the Administrative and Resource Management Staff (ARMSS).

Environmental Engineer trainees work for OCEFT's National Enforcement Investigations Center in Denver, CO, EPA's environmental forensic enforcement laboratory, or in Washington, DC, for OCE or OC providing engineering knowledge to support compliance monitoring programs and assist with the investigation of civil enforcement programs. NEIC positions focus primarily on engineering support and analysis of samples taken in support of our environmental enforcement cases. **Only engineering majors with an emphasis on the environment may apply.**

Specific Job Information:

Locations: Washington, DC and Denver, CO
Salary: Federal Government GS-4 (12.89/hr-Denver; \$12.68/hr-DC -- undergraduate)
OR GS-7 (\$17.87/hr-Denver; \$17.57/hr-DC -- master's candidate)
Schedule: **Flexible, depending on student's needs. Positions are available at any time during the year.**

Position Benefits:

- Benefits include annual and sick leave, health insurance, and retirement.
- Work schedules are flexible to accommodate academic needs
- Students gain on-the-job training and experience and preview a career choice

- Upon graduation and successful completion of the work requirement, students gain non-competitive eligibility for appointment to the Federal service in the target position.

Qualifications Required:

- U.S. Citizen
- Enrolled at least half-time in a degree-granting program at an accredited college or university
- At least a 2.95 GPA on a 4.0 scale
- Recommended by university faculty
- Basic background investigation

How to Apply: Provide resume, cover letter, current official transcript, recommendation, and writing sample to:
